

Call for Papers

The University of Colombo School of Computing (UCSC) is pleased to announce that the 18th International Conference on Advances in ICT for Emerging Regions (ICTer2018) will be held on 27th & 28th September 2018 in Colombo, Sri Lanka. ICTer is technically co-sponsored by IEEE Sri Lanka section and is the successor to the seminal International Information Technology Conference (IITC) held in Sri Lanka since 1998. The ICTer conference is a unique opportunity for researchers and practitioners alike to present research and development activities in the Computer Science and Information and Communication Technology (ICT) domains. The Proceedings of the conference will be published in book form and all the presented papers and abstracts will be submitted to IEEE Xplore. Selected papers will be invited for

publication in the special issue of the ICTer Journal (journal.icter.org).

The main conference will take place on 27th & 28th of September 2018. In addition to the presentation of selected papers, the conference will include several keynote addresses by leading personalities of the International repute in the domains of Computer Science and ICT. The conference will include several pre and post-conference workshops on 26th & 29th of September, conducted by top experts in the cutting edge areas of Computer Science and ICT. The ICTer2018 Conference will focus on important problems and potential solutions in the areas of ICT including but not limited to the following topics.

- Natural language processing and Text analytics
- Cyber physical systems
- Big data analytics
- Image processing, visualization, modelling and simulation
- Autonomic computing
- Cloud computing, virtualisation and middleware
- Cognitive reasoning
- Smart cities and environments
- Software reliability and large-scale distribution
- Parallelisation, HPC and GPU computing
- E-Science in social science, health, climate and education
- Context aware computing
- Cyber security and application security
- Internet of things (IoT) and Mobile and sensor networks
- Swarm Intelligence, evolutionary computing, neural networks
- ICT for Development
- E-Learning
- ICT Innovation

The organizing committee invites you to submit full papers (6-8 pages) of completed research or on going research work in computing. All submissions will be peer reviewed by an International review committee. The authors of accepted submissions will be invited to present at the conference either as oral presentation or as poster presentations.

[Please see <http://www.icter.org/ICTer2018> for more details]

Important Dates

Deadline / Full paper submission	: 10 th April 2018
Notification to authors	: On or After 30 th May 2018
Final camera ready copy submission	: 15 th June 2018
Pre conference workshop	: 26 th September 2018
Conference dates	: 27 th - 28 th September 2018
Post conference workshop	: 29 th September 2018

[Please see <http://www.icter.org/conference/submissionguidelines> for the guidelines for authors]

All presented papers and abstracts will be submitted to IEEE Xplore.

All inquiries about the submission of papers should be made to:

✉ E-mail: info@icter.org

☎ Phone: 94-11-2581245

☎ Fax: 94-11-2587239

📍 Address: University of Colombo School of Computing, No 35, Reid Avenue, Colombo 07, Sri Lanka

Sincerely,
ICTer2018 Organizing Committee
