Dear Sir/Madam

INTEREST FREE LOAN FACILITY TO PURCHASE OF LAPTOPS FOR UNIVERSITY STUDENTS

We as a responsible corporate citizen, took hand in granting concessionary loans for purchasing laptop loans for undergraduates in year 2016, accepting the request made by the Ministry of Higher Education and highways. With that project, we were able to support more than 12000 number of undergraduates to pursue their higher education dreams. However, we found that 2786 number of loans worth Rs.115 Mn has been recorded as non performing loans.

As these repayment funds are re-utilized for student's loan scheme, failing to recover these loans has been avoided facilitating other needy students for these loans. Also, this situation has caused to block Bank's funds.

Hence, we would like to draw your prompt attention in this regard and kindly request you to assist in recovering these loans. We have attached herewith names of the students who had failed to arrange repayments as at 30.04.2018.

Thank you

Yours sincerely

Lionel Galagedara
